

WVSC 4D Rules

1. A WVSC barrel race is a timed event using three identical barrels set in a cloverleaf pattern.
2. The starting gate or gates must remain the same throughout the entire event. A contestant may request that the gate be closed after they enter the arena.
3. The start/finish line and the barrel positions should be permanently marked and must remain the same throughout the entire event.
4. The pattern at a WVSC show must meet the following conditions:
 - a. The first two barrels must be a minimum of 15 feet off the side fence.
 - b. a minimum of 30 feet between the third barrel and the back fence.
 - c. a minimum of 30 feet between the time line and the first barrel.
5. Any time a contestant crosses the starting line, time will begin.
6. A contestant will be given a “no time” for missing the pattern.
7. A contestant will be disqualified for running out of turn. It is the contestant’s responsibility to know his/her draw position.
8. A contestant will be given a “no time” for knocking over a barrel. A “no time” will also be given if a barrel is knocked over and it sets up again on either end. Touching a barrel, including to keep it from falling, is permitted without penalty.
9. A contestant will be given a no time if the horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls off the horse.
10. If a barrel is moved off its marker during competition, the barrel must be reset prior to the next competitor’s run. At that time rerides will be offered to those who ran on a moved pattern.
11. Contestants may ride any horse, regardless of ownership, and may ride as many horses as they choose in a class. However, a horse may not be shown by more than one person in a class, unless the following conditions are met:

 - b. Neither contestant is showing any other horse in that class.
 - c. In no case will the same horse be run more than twice in the same class.
12. Entries for a WVSC class will close when the tractor starts dragging to start that class, or at an earlier time as specified on the show bill. Under no circumstances will entries be taken for a class after the first horse in that class has entered the arena. No refunds will be given if a rider decides to draw out after the said class has started.

13. At all WVSC sanctioned shows, the draw shall be done in a random manner. (computer, shuffling cards, drawing numbered chips, etc.) All horses in the draw must be named. Riders with multiple entries must ride their horses in the position in which they draw up. Once set, the draw may not be changed.
14. Only one horse may be in the arena at any time during competition.
15. Reruns shall be granted if the timer fails to work properly or if the barrels are not placed properly on their markers. Any penalty incurred on the original run shall not be applied against the rerun; however, any penalty occurring on the rerun shall result in a no time.
16. Contestants who are given a no-time, either for missing the pattern or knocking down a barrel, may complete the pattern. However, show management may, at its discretion, ask a rider who is taking excessive time to train to leave the arena immediately. If such request is not complied with, a \$25 fine may be assessed, payable to the WVSC awards fund.
17. WVSC Officials have the right to disqualify any uncontrolled horse which does not begin the pattern within 3 minutes.
